

2018 Casual Job

Tree Planter (casual)

Job Description

Reporting to the Forestry Coordinator and Forestry Technicians, the role of the Tree Planter is to assist with the planting of trees on private land and on Grey Sauble Conservation (GSC) lands and perform other forestry related activities

This position will include, but is not limited to:

- Assist GSC forestry staff with tree planting operations;
- Manual and/or mechanical tree planting, loading and unloading of nursery stock, potting trees and shrubs; and
- Other duties as assigned.

Skills and Experience

- Secondary school graduation and/or related job experience.
- Valid Ontario class G driver's license with clean driving abstract.
- Knowledge of tree species and planting practices would be an asset.
- Ability to demonstrate safe operation of vehicles, equipment, and tools.
- Able to work in a team environment.
- Reliable, honest, hardworking, and motivated self-starter.
- Ability to work long hours outdoors, including weekend work as required.
- Heavy lifting required (up to 25 kg).

Working Conditions:

- Mainly outdoors, in all weather conditions, with some inside work.
- Some weekend work required.

*Work Boots (green patch certified) required.

Full Time: up to 44 hours per week
Employment: May, 2018 – June, 2018

Wage: \$14.00/hour
Application Deadline: ASAP
